Serial No. 08/715,724

REMARKS

By way of the amendment instructions above, an obvious typographical error has been corrected in independent claim 2 and the dependency of claim 10 has been revised so as to overcome the Examiner's objection thereto under 37 CFR §1.75(c).

Since the requested amendments relate merely to form and reduce the issues on appeal, their entry under Rule 116 is solicited. In this regard, a formal Brief on appeal is being filed concurrently herewith which presumes the entry of the subject amendments.

Respectfully submitted,

NIXON & VANDERHYE P.C.
